Charlie began his insurance career in 2002 when he joined the agency as a salesman. He was named Vice President in 2011 and Secretary in 2013.

Charlie works with various commercial and private ventures around the Tri-State area. Commercially, he has advised: logistics firms, non-profits, community events, private clubs, general contractors, manufacturing, distributors, designers, creative agencies, to name a few. He spends much of his time talking with his private family insureds, making sure all their pursuits, both public and private, are appropriately accommodated for.

Charlie has experience advising start-ups and getting them off the ground with coverage that escalates with their expansion without inhibiting their progress through hefty premium expenses.

Charlie volunteers for a few non-profit Cincinnati organizations. He has served on the Boards of The Cincinnati Observatory, Children's Dental Care Foundation, and The Children's Theatre of Cincinnati.
