Brian joined Schiff Insurance in 2005. He began his insurance career in 1996 as a commercial underwriter for The Cincinnati Insurance Companies. He left Cincinnati Insurance as a commercial lines manager when he joined the agency in July of 2005.

Brian's commercial background with CIC allows him to focus on medium to large businesses with a wide range of different interest that include manufacturing companies, service organizations, schools, non profit institutions, contractors, and dental practices among others.

Brian also handles new business requests through the agency's Preferred Employee Program for Cincinnati Insurance Company employees. His personal lines clients live in the Tri-State area.

He prides himself on a personal approach to all his clients, large or small, commercial or personal. He appreciates getting to know his client's business and seeing their passion for what they have built. Brian strives to build relationships with his clients and sees himself as a trusted resource and partner as their business grows and changes.

In his community, Brian enjoys being a member of the Fairfield Rotary Club and serves on the Fairfield Community Foundation board. Brian and his wife have two daughters in the Fairfield school system and he and his family are very active in their church.
