Prior to joining the agency in 1990 Mike worked as a Commercial Lines Underwriter and Underwriting Manager with The Cincinnati Insurance Company. He was also active as an instructor in the Education and Training department. Since joining the agency, he has earned his Chartered Property and Casualty Underwriter designation in 1993.

He utilizes his underwriting background to work with individuals and business owners to arrange an insurance program designed for their unique situation. His philosophy is the relationship between his clients and the insurance carrier must be mutually beneficial; his goal is to act as an insurance advisor and do what's in their best interest. Building long-term relationships is paramount to accomplishing this goal.

Current and past community involvement includes serving as President of the Greater Cincinnati Insurance Board (www.cib-online.com), and Director of Insuring the Children, a Greater Cincinnati insurance organization whose goal is to raise awareness of child abuse and neglect (www.aboutitc.org). He has also been a member of the Chartered Property Casualty Underwriter Society, the University of Cincinnati Alumni Association and a member of the Advisory Board of the West Park Retirement Community.
