Paul began his insurance career in 2014 after almost ten years working for the Government. His foundation of insurance knowledge originates from a claims perspective after adjusting, supervising, and managing claims and department personnel for The Cincinnati Insurance Companies. He has seen everything from minor auto accidents to policy limits settlements; and small property claims up to \$20 million losses.

His experience created his desire to work with business owners and individuals to consult with them to deliver understanding on coverages they have, don't have; or options to consider as they grow or mature. Paul feels education and knowledge provides peace of mind and comfort knowing protections are in place should a loss occur. This allows his client's efforts to focus on doing what they do best, running their business or simply living their lives protected!

Paul is a lifelong Cincinnati and enthusiastic supporter of local sports teams, breweries, and restaurants with the desire to get out and play golf if time ever allows. He graduated from Moeller High School and received his bachelor's degree from The University of Cincinnati. He resides in Anderson with his wife Laura and three children: Jackson, William and Aubrey. Paul enjoys being active in his children's sports and
